

North Stonington Agricultural Fair Exhibitor Photos 2024

This year the NSAF is excited to announce a brand new partnership with 'Photos By Carolyn Cote'.

Carolyn Cote is an equine photographer who specializes in large agricultural events. Carolyn grew up in North Stonington and is now based out of Rhode Island. She has spent the last 2 years traveling all of New England to grow and diversify her portfolio. Her hard work has granted her the opportunities to work alongside Olympic Gold medalists and Pan-American Athletes, as well as become the official photographer of a National Championship Horse Show. If you are not familiar with her work, part of her portfolio can be viewed on instagram: @cotegirls_eq

Carolyn Cote was the fair's photographer in 2023. Together with her team, Carolyn Cote will be offering exhibitor photos for the 2024 fair. Exhibitor packages for this first year are only open to the following events: Dairy Show, Beef Show, Goat Show, Sheep show, Horse Pull, Pony Pull, Oxen Pull, New England Garden Tractor pull, and our Truck Pull events.

In order to guarantee that you receive photos of your event, you must pre-register! Exhibitor packages are \$100 and include 10+ high resolution images of your event. These images will be sent in an online gallery for you to download and will not have watermarks. Included in these packages are the rights to print, share, and reproduce all images. The deadline to pre-register is July 6th. All packages must be paid in full at the time of registering. Venmo, and PayPal are strongly encouraged. For cash or check please reach out to Carolyn Cote at the email below before submitting your registration form to make arrangements. All photo galleries will be sent out 2-3 weeks after the fair.

If your event is not listed above OR you do not want to preorder a full package, a limited amount of individual images will be available for purchase after the fair. Individual images will be listed for \$15each. The photography team will be around the grounds at all hours of the fair, and when they are not stationed at the events listed above they may snap a picture of you in action, so check our social media after the fair for more information. That being said we would like to put extreme emphasis on the fact that unfortunately at this time we cannot guarantee that specific photos will be available after the fair if you do not pre-register for a package. We hope to be able to expand to more events, if interest is expressed, next year!

New Award for 2024!!!

Additionally we're excited to announce that 'Photos by Carolyn Cote' will be sponsoring a new award in 2024 that will be given in the horse pull, pony pull, & cattle shows. This is a cash award and will be given to a winner selected by the 'Photos by Carolyn Cote' team deemed the "most photogenic". The award is given to express appreciation for exhibitors that go above and beyond to make their animals look good, so they can feel great.
